

CNBC Interviews AQR's Jordan Brooks, Co-Head of the Macro Strategies Group

October 2, 2024

Jordan Brooks, AQR Principal and Co-Head of the Macro Strategies Group, recently was interviewed on CNBC. In the wide-ranging discussion, Jordan talked about the elevated level of macroeconomic certainty, why it may lead to more market volatility ahead, and how diversifying liquid alternatives can help investors' build portfolios that are more resilient to macro risks.
